What and Who Is "B-SIDE LABEL" ?

"B-SIDE LABEL" is proffesional crew, who creates stickers and express modern pop art which everybody can easily enjoy through stickers.
Stickers cannot be one of the life's essentials, that's why we poured our passion into design for over 20years. We have released over 9,000 kinds of stickers until today.
Currently we are keep producing 800 kinds of designs every year.
Is this your first time joining us? Please stay tuned, there is more great things to come.
We're proud of our work to date, and we're aiming to get better and better.

Our Stickers

We make all "B-SIDE LABEL" stickers by ourselves. We steadfastly design, manufacture, and sell them at our stores and online. All our stickers are waterproof and covered with UV protective film. This means you can put them on your car, bike, surfboard, and even on everyday items such as washable food containters or water bottles.
We promise that for years or longer, our stickers will not just suddenly peel off.
